

Where We Are:

After discussion of the information and comments shared last week, here are our next steps:

The Vestry has decided to establish three Investigational Committees:

Committee #1:

Repair / adapt all structures on the site, using the Ryan Biggs plan as a basis for the sanctuary repair.

Committee #2:

Demolish the church building, adapt the Parish Hall or demolish the Parish Hall and rebuild.

Committee #3:

Sell the property (with or without the building) and build or rent elsewhere.

There are sign-up sheets in the back. A variety of skills will be needed in each group and we have people here with many skills so please consider signing up.

On January 3rd, we will have formed up the committees' participants and announced the chairs. We also will have an information session for anyone interested. We will present any new information, provide guidelines for the committees and review the timelines.
