

## **WHERE WE ARE – WEEK OF MAY 3, 2009**

1. During the week of May 11<sup>th</sup>, both Allegrone and Ryan/Biggs engineers will be on site.
2. The Listening Team (Lynn Walker, Dutch Pinkston, Lee & John Cheek and myself) are beginning interviews with members of the congregation. These interviews need to be completed by May 13<sup>th</sup>. Each one takes about one hour.
3. I apologize for being about three weeks behind in getting the announcements typed and mailed, etc. By next Sunday, I will be caught up. Reminder: the announcements are usually at the back of the Welcoming Table, so please pick up a copy. I am going to reduce the number of copies to save trees as not many are being picked up as hard copy.
4. Today's Coffee Hour will be abbreviated as we need to vacate the premises by 11:30 AM
