

WHERE WE ARE – Week of November 29, 2009

1. A reminder about the surveys for the leadership's Mutual Ministry Review. They are due December 6th. There are forms on the Welcome Table. Please complete and mail to me or put it in the offering plate or hand it to me.
2. Please keep Good Shepherd's Executive Team in your prayers. They will be meeting this afternoon to choose a path for their congregation.
3. Our Wednesday Phone Call:
We have been given an ultimatum by the insurance company: It impacts the insurance policy coverage on our property and it has raised concerns about our liability coverage since our risk has increased exponentially. It has also raised questions about the personal liability coverage of the leadership here. We have time constraints upon us to take action. There will be a building-specific Parish Meeting on January 10, 2010, location to be determined. The Vestry will develop the Agenda at their December 17th meeting.
4. It is the first Sunday of Advent. On behalf of the Vestry and the congregation, I would like to acknowledge and offer our appreciation to Francie on her two years with us. It has been anything but a boring two years, in which she has demonstrated courage, creativity and an ever-present sense of humor.
